

HUSKY REWARDS DAYS

April 16 & 17

8 AM - 7 PM

How many points do you have in Husky Rewards? How can you redeem these for free stuff? Forget your login or password? Now's the time to get this figured out!

We will be setting up computers in the store and having extra staff in to help you on April 16 and 17 from 8AM to 7 PM. Stop by anytime and let us help you get the full use of your Husky Rewards program. If you earned FREE stuff you should get it now—and a special thank you for participating in Husky Rewards.
